d'Alba Global (483650)

3Q breather; laying the groundwork for B2B channels

- **3Q preview**: We forecast d'Alba Global will log in-line 3Q results—despite the high base (related to promotions in 2Q) and won appreciation—thanks to global channel expansion and improved marketing efficiency.
- We maintain our BUY rating but cut our target price to KRW240,000. Given the company's channel expansion strategy (which is focused on just 3-4 key SKUs), we revise down our earnings estimates. However, earnings growth should accelerate in earnest from 2027 thanks primarily to reorders.

WHAT'S THE STORY?

3Q preview: We expect d'Alba Global to log 3Q sales of KRW166.9b (+46.2% y-y, -10.7% q-q) and an operating profit of KRW32.3b (+94.2% y-y, -31.5% q-q; in line with consensus). Despite headwinds from a stronger won and a domestic supply shortage of sunscreen containers through end-August, overseas channel expansion likely continued to drive the firm's earnings growth. Domestic sales likely came in at KRW38.6b (-5.2% y-y, -14.8% q-q), while overseas sales likely amounted to KRW128.3b (+74.6% y-y, -9.3% q-q). By region, we estimate sales hit: 1) KRW28b in North America (+58.8% y-y, -19.5% q-q), falling q-q on a high base related to promotional events; 2) KRW30.4b in Japan (+64.8% y-y, -15.6% q-q); 3) KRW17.5b in Europe (+235.1% y-y, -14.6% q-q); and 4) KRW13.3b in Russia (+15% y-y, +8.1% q-q), led by a recovery in orders from Gold Apple. While q-q sales growth was likely constrained by an absence of major promotional activity, its operating margin likely reached 19.4% (+4.8%pts y-y, -5.9%pts q-q), reflecting improved marketing cost leverage y-y.

Maintaining BUY and cutting target price to KRW240,000: Now that the company is focusing its channel expansion efforts on a few high-performing SKUs, investors need to temper their top-line growth expectations. We trim our 2026 and 2027 operating profit forecasts by 4% and 6%, respectively. In light of rising concerns over margin pressure (driven by the rapid won appreciation from October and higher logistics costs in Europe), we newly apply its peers' average P/E of 17.4x (Bloomberg; down 21% from the P/E we previously applied) and cut our target price to KRW 240,000. Following its new channel entry in various regions, the company needs to see its growth trends stabilize. Since Prime Day in early October, the company has performed well on Amazon Europe, with an average of 3.7 SKUs ranking in the top 10 in Germany during the second week of October and 4.9 SKUs in Spain. On the B2B front, expansion is accelerating, with its products now being sold in all 650 US Costco locations (Costco's initial purchase order exceeded KRW10b), additional SKU rollouts at Ulta, subsequent purchase orders from Boots UK in September, and completed launches across 700 Watsons stores in Malaysia. From 2027, top-line growth driven in earnest by reorders should fuel operating margin expansion, with its 2027 operating margin projected at 22.3%.

Compliance notice

- As of 10/20 2026, the covering analyst(s) did not own any shares, or debt instruments convertible into shares, of any company covered in this report.
- As of 10/20 2026, Samsung Securities' holdings of shares and debt instruments convertible into shares of each company covered in this report would not, if such debt instruments were converted, exceed 1% of each company's outstanding shares.
- This report has been prepared without any undue external influence or interference, and accurately reflects the views of the analyst(s) covering the company or companies herein.
- All material presented in this report, unless specifically indicated otherwise, is under copyright to Samsung Securities.
- Neither the material nor its content (including copies) may be altered in any form, or by any means transmitted, copied, or distributed to another party, without prior express written permission from Samsung Securities.
- This memorandum is based upon information available to the public. While we have taken all reasonable care to ensure its reliability, we do not guarantee its accuracy or completeness. This memorandum is not intended to be an offer, or a solicitation of any offer, to buy or sell the securities mentioned herein. Samsung Securities shall not be liable whatsoever for any loss, direct or consequential, arising from the use of this memorandum or its contents. Statements made regarding affiliates of Samsung Securities are also based upon publicly available information and do not necessarily represent the views of management at such affiliates.
- This material has not been distributed to institutional investors or other third parties prior to its publication.

Target price changes in past two years

Rating changes over past two years (adjusted share prices)

Date	2026/4/23	6/24	8/14	10/21
Recommendation	BUY	BUY	BUY	BUY
Target price (KRW)	280000	270000	300000	240000
Gap* (average)	-23.46	-14.82	-36.94	
(max or min)**	-7.14	-1.85	-22.33	

Note: * [(average, maximum, or minimum share price over duration of target price minus target price) / target price] x 100%
** Maximum/minimum share price if new target is higher/lower than market close on the business day prior to target price change

BUY(86.3%)·HOLD(13.7%)·SELL(0%)

Global Disclosures & Disclaimers

General

This research report is for information purposes only. It is not and should not be construed as an offer or solicitation of an offer to purchase or sell any securities or other financial instruments or to participate in any trading strategy. This report does not provide individually tailored investment advice. This report does not take into account individual client circumstances, objectives, or needs and is not intended as recommendations of particular securities, financial instruments or strategies to any particular client. The securities and other financial instruments discussed in this report may not be suitable for all investors. The recipient of this report must make its own independent decisions regarding any securities or financial instruments mentioned herein and investors should seek the advice of a financial adviser.

This report may not be altered, reproduced, distributed, transmitted or published in whole or in part for any purpose. References to "Samsung Securities" are references to any company in the Samsung Securities, Co., Ltd. group of companies.

Samsung Securities and/or other affiliated companies, its and their directors, officers, representatives, or employees may have long or short positions in any of the securities or other financial instruments mentioned in this report or of issuers described herein and may purchase and/or sell, or offer to purchase and/or sell, at any time, such securities or other financial instruments in the open market or otherwise, as either a principal or agent. Any pricing of securities or other financial instrument contained herein is as of the close of market for such day, unless otherwise stated. Opinions and estimates contained herein constitute our judgment as of the date of this report and are subject to change without notice.

The information provided in this report is provided "AS IS". Although the information contained herein has been obtained from sources believed to be reliable, no representation or warranty, either expressed or implied, is provided by Samsung Securities in relation to the accuracy, completeness or reliability of such information or that such information was provided for any particular purpose and Samsung Securities expressly disclaims any warranties of merchantability or fitness for a particular purpose. Furthermore, this report is not intended to be a complete statement or summary of the securities, markets or developments referred to herein.

Samsung Securities does not undertake that investors will obtain any profits, nor will it share with investors any investment profits. Samsung Securities, its affiliates, or any of its and their affiliates, directors, officers, employees or agents disclaim any and all responsibility or liability whatsoever for any loss (direct or consequential) or damage arising out of the use of all or any part of this report or its contents or otherwise arising in connection therewith. Information and opinions contained herein are subject to change without notice. Past performance is not indicative of future results. Foreign currency rates of exchange may adversely affect the value, price or income of any security or financial instrument mentioned in this report. For investment advice, trade execution or other enquiries, clients should contact their local sales representative. Any opinions expressed in this report are subject to change without notice and may differ or be contrary to opinions expressed by other business areas or groups of Samsung Securities. Any analysis contained herein is based on numerous assumptions. Different assumptions may result in materially different results. Samsung Securities is under no obligation to update or keep current the information contained herein. Samsung Securities relies on information barriers to control the flow of information contained in one or more areas or groups within Samsung Securities into other areas or groups of Samsung Securities. Any prices stated in this report are for information purposes only and do not represent valuations for individual securities or other financial instruments. Samsung Securities makes no representation that any transaction can or could have been effected at those prices and any prices contained herein may not reflect Samsung Securities' internal books and records or theoretical model-based valuations and may be based on certain assumptions. Different assumptions by Samsung Securities or any other source may yield substantially different results. Additional information is available upon request.

For reports to be distributed to US:

Securities research is prepared, issued and exclusively distributed by Samsung Securities Co., Ltd., an organization licensed with the Financial Supervisory Service of South Korea. This research may be distributed in the United States only to major institutional investors as defined in Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended, and may not be circulated to any other person otherwise. All transactions by U.S. investors involving securities discussed in this report must be effected through Samsung Securities (America) Inc., a broker-dealer registered with the U.S. Securities & Exchange Commission and a member of the Financial Industry Regulatory Authority/SIPC, and not through any non-U.S. affiliate thereof. The analysts listed [on the front of this report] are employees of Samsung Securities Co., Ltd., or a non-U.S. affiliate thereof, and are not registered/qualified as research analysts under applicable U.S. rules and regulations and may not be subject to U.S. restrictions on communications with covered companies, public appearances, and trading securities held by a research analyst account.

For reports to be distributed to UK:

This report is not an invitation nor is it intended to be an inducement to engage in investment activity for the purpose of section 21 of the Financial Services and Markets Act 2000 of the United Kingdom ("FSMA"). To the extent that this report does constitute such an invitation or inducement, it is directed only at (i) persons who are investment professionals within the meaning of Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2001 (as amended) of the United Kingdom (the "Financial Promotion Order"); (ii) persons who fall within Articles 49(2)(a) to (d) ("high net worth companies, unincorporated associations etc.") of the Financial Promotion Order; and (iii) any other persons to whom this report can, for the purposes of section 21 of FSMA, otherwise lawfully be made (all such persons together being referred to as "relevant persons").

Any investment or investment activity to which this report relates is available only to relevant persons and will be engaged in only with relevant persons. Persons who are not relevant persons must not act or rely on this report.

For reports to be distributed to Korea:

This report is for private circulation only, not for sale, and is issued and distributed only to persons permitted under the laws and regulations of Korea.

For reports to be distributed to Singapore:

This report is provided pursuant to the financial advisory licensing exemption under Regulation 27(1)(e) of the Financial Advisers Regulation of Singapore and accordingly may only be provided to persons in Singapore who are "institutional investors" as defined in Section 4A of the Securities and Futures Act, Chapter 289 of Singapore. This report is intended only for the person to whom Samsung Securities has provided this report and such person may not send, forward or transmit in any way this report or any copy of this report to any other person.

Analyst certification

The views expressed in this research report accurately reflect the personal views of the analyst(s) about the subject securities or issuers and no part of the compensation of such analyst(s) was, is, or will be directly or indirectly related to the inclusion of specific recommendations or views in this research report. The analyst(s) principally responsible for the preparation of this research report receives compensation based on determination by research management and senior management (not including investment banking), based on the overall revenues, including investment banking revenues of Samsung Securities Co., Ltd. and its related entities and has taken reasonable care to achieve and maintain independence and objectivity in making any recommendations.
